

## **Care & Maintenance**

**Here is the best way for maintenance and to clean your Manhattan and Bimini Floors.**

- To keep your **Manhattan and Bimini floors** like brand new for the years to come. Sweep or vacuum at least once a week to remove sand or any abrasive material to prevent scratches.
- Your Luxury vinyl floor can be cleaned with a broom, vacuum cleaner or damp-mop. It is recommended to wash with a nonabrasive floor cleaner. Wash, rinse with a damp mop.
- Wipe off any liquid immediately to prevent it from slipping between the boards.
- Never use wax, polish, or scouring agents as they may dull or distort the finish.
- For stains use a white cloth with a bleach solution (1 part of bleach for 10 parts of water).

To avoid scratching your **Manhattan and Bimini floor**, apply **felt pads** under the feet of the furniture and use **only soft rubber wheels**. Protect the area where the traffic is important by putting rugs or carpets.

It is a good idea to keep some extra boards in case accidental damage occurs. Have the boards replaced by a professional flooring installer.
