## 10mm Collection

## SPECIFICATION SHEET

### RainCoat 10mm

With our premium **Laser Print Design** and Register Embossed finish, you can achieve the look of a traditional wood floor. The AC5 **Heavy-Duty Protection** wear layer, which is more durable and simpler to clean than most standard wood floors. Combining our unique **Solid Ground Formula** and **WaterTight Technology**, the 10mm RainCoat laminates from Silent Blue prevent the infiltration of moisture into the core. Moisture-resistant, durable, and solid core board for eco-friendly laminate flooring.

#### Technologies

Our technology is not only quick and easy to install. It's also the combination of the high precision locking system and the most advanced formula, avoid the infiltration of moisture into the core. Enjoy your space wherever you are and always feel at home.
